Dear Exhibitors / Partners

On behalf of the organizing committee I would like to thank you for your unending support over the years by your involvement in our Annual General & Scientific Meetings.

Malaysian Association of Plastic, Aesthetic & Craniomaxillofacial Surgeons warmly welcome you again to join us at our Annual Scientific Conference 2018, scheduled from the 13th to 15th of April 2018 at The Royale Chulan Hotel, Mutiara Damansara, Petaling Jaya, Selangor.

This is the yearly highlight in the local Plastic Surgery CME calendar and it would be a great opportunity for you to showcase your products ie medical / surgical devices / innovations to the Plastic Surgeons in Malaysia and also to those attending the meeting from the region.

The main topics of the meeting are on aesthetic surgery and plastic and reconstructive surgery. There will also be topics of a wide range from invasive, minimally invasive to injectables and light based devices.

The contact details are highlighted below and we look forward to hearing from you.

Thank you for your continued support.

Yours sincerely,

Dr Lim Yang Kwang
